PATHWAY TO GAS APPLICATION FORM AND RESULTS RECORD

Conditions of entry to Pathway Training:

Applicants:

- entering the training process are required to prove that they have access to appropriate 'On the Job' placement with a CORGI registered Business/Engineer.
- are able to show dexterity skills, be mature and preferably have an engineering, plumbing, construction or similar background
- will be expected to demonstrate sufficient mathematical ability to be able to carry out the calculations relating to gas rates and ventilation.
- will be expected to demonstrate competence in the 'Off Job' Course Theory and Practical examinations within the Training Centre and to have collated sufficient suitable 'On the Job' evidence, in the form of a Portfolio of Evidence before being allowed to attempt any ACS Assessment. The final decision on this suitability lies with the training centre.
- must note that attendance/completion of the course is not a guarantee of success.
- the final decision of the suitability of an applicant lies with the Training Centre offering the Pathway course.
- must be aware that the final decision for Certificate award lies with Blueflame Certification Ltd

Candidate Declaration False or misleading declarations may result in Blueflame Certification Limited withdrawing or cancelling Certificates of Achievement that have been issued to successful applicants.

Special Needs: Should you have any medical condition which may affect the way you work, the training process or if you have any other special needs please list them separately and attach to this application
